

ASA AB Sessions

Mtg #	Date	Location	Session Titles
169	May-15	Pittsburgh, PA	Kinematic Hearing: Auditory Perception of Moving Sounds by Moving Listeners (co-sponsored by AB) Physiology of Animal Hearing Auditory Scene Analysis in Natural Environments Biosonar Audio Playback in Animal Bioacoustics Infrasound I & II (co-sponsored by AB)
170	Nov-15	Jacksonville, FL	Comparative Neurophysiology of the Auditory System I: Session in Honor of Albert Feng (Cosponsor: PA) Comparative Neurophysiology of the Auditory System II: Session in Honor of Albert Feng (Cosponsor: PP) Acoustics of High Latitude Oceans (Cosponsors: AO, SP, UW, AB) Direction of Arrival (DOA) Estimation, Source Localization, Classification, Tracking using Small Aperture Arrays (Cosponsors: SP, UW, AB) Soundscape and its Application (Cosponsor: NS, AB) Bioacoustics Across Disciplines: Detecting and Analyzing Sounds Bioacoustics Across Disciplines: Emitting Sound Bioacoustics Poster Session (all topics) 50 Years of Underwater Acoustics under ASA (Cosponsors UW, AO, SP, AB) Avian Bioacoustics Bioacoustics Research In Latin America (Cosponsor: AO) New Discoveries in Bat Vocal Communication
171	May-16	Salt Lake City, UT	Comparative hearing: Honoring Dick Fay Cetacean Bioacoustics AB Poster Session Effects of noise on animals Airborne / Automatic Animal Bioacoustics Noise Impacts from the Industrialization of the Outer Continental Shelf and High Seas Acoustical oceanographic tools for the study of marine ecosystems (AO & AB)
172	Dec-16	Honolulu, HI	Anthropogenic Transient Noise Sound Field and Its Effects on Animal Communication Bat echolocation: new insights on biosonar production, processing, and performance from field and laboratory investigations Behavioral Response Studies Sequence Information in Mammalian Vocal Call Production Session in Honor of Whitlow W.L. Au Tropical Bioacoustics On the Bleeding Edge of Animal Bioacoustics Technology Marine Acoustic Ecology Diversity of Bioacoustic Signals Animal Bioacoustics Poster Session Acoustic Scattering by Aquatic Organisms (AO host)

- 173 Jun-17 Boston, MA Fish Bioacoustics: Honoring Tony Hawkins & Art Popper
Comparative Bioacoustics: Session in Honor of Robert Dooling
Ecosystem Acoustics
Incorporating Underwater Acoustics Research into the Decision Making Process
Acoustics and acoustic ecology of benthic organisms (AO host)
Musical acoustics in the animal kingdom (MA host)
- 174 Dec-17 New Orleans, LA Neurophysiology of Biosonar
Animal Bioacoustics in the Gulf of Mexico
Soundscapes (terrestrial & marine) and analysis tools (AO host)
